

# Accessible Transportation User Input Meeting

Come and share your thoughts on the future of accessible transportation in our region. A series of meetings have been scheduled to provide input on the Coordinated Public Transportation—Human Service Transportation Plan (HSTP). The HSTP sets priorities and helps guide funding for transportation services to people with special transportation needs (people with a disability, seniors, youth, low-income, and veterans). Please join us at one of the scheduled events listed below to share your concerns and suggestions on accessible transportation:
